PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 08/07/2019.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

3

Mandatory Condition #2: The defendant shall not commit another Federal, state, or local crime.

Supporting Evidence: Mr. Mason is alleged to have violated mandatory condition number 2 by being cited by the Washington State Patrol on September 26, 2019, for the offense of Driving Under the Influence, in violation of R.C.W. 46.61.502, a gross misdemeanor.

On June 10, 2019, Mr. Queveny Mason signed his conditions relative to case number 2:04CR00209-RHW-1, indicating he understood all conditions as ordered by the Court. Specifically, Mr. Mason was made aware by his U.S. probation officer that he was required to refrain from committing another federal, state or local crime.

Specifically, on September 26, 2019, the undersigned officer received an automated law enforcement notification with respect to the client indicating the client's name had been run by the Washington State Patrol. At 8:22 a.m. the client contacted the undersigned officer telephonically and immediately indicated he had "messed up." The client further indicated he had been contacted by law enforcement on the day in question and he was ultimately cited for driving under the influence and for speeding.

On September 27, 2019, the police reports were received relative to this matter. According to the reports received, on September 26, 2019, at approximately 1:54 a.m., the Washington State Patrol observed a vehicle traveling east bound on Interstate 90. The vehicle was observed to be traveling in excess of the posted rate of speed of 60 miles per hour. The client's vehicle was subsequently determined by using radar to be traveling at a rate of speed of 72 miles per hour. Upon contacting the driver of the vehicle, who was identified as being Mr. Queveny Mason, the officer immediately detected a "strong odor of intoxicants," noted several inconsistencies in his statements made, and noted that he "performed poorly" during field sobriety testing. When asked how much alcohol Mr. Mason had consumed that evening, Mr. Mason responded "I've had a couple beers, that's all," further stating that the time of his last drink had occurred approximately 1 hour prior.

As a result of the contact, Mr. Mason was arrested for driving under the influence and transported to the Spokane Valley Police Department. Mr. Mason subsequently provided BAC results of .183 / .181 and .183 / .180 during testing. Following testing, Mr. Mason was provided a citation for driving under the influence and for speeding and was then transported to a friend's apartment by the arresting officer.

On September 30, 2019, Mr. Mason made his initial appearance relative to this alleged offense in Spokane County District Court and offered a plea of not guilty. Mr. Mason's next Court hearing relative to this conduct is currently set to occur on October 14, 2019, at 9 a.m.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
